Report of Superintendent

To the School Board and Citizens of Dummer:

Following is the annual report of the School Superintendent with statistics for last complete school year ending June 30, 1946.

As for several years past two schools were maintained, the Willis and West Dummer, with two teachers. The schools were in session for 36 weeks. The percent of attendance for the year was 93.3. Schools were actually in session for 345 half days during the year—15 half days being lost on account of holidays, bad weather, etc.

In June last four pupils were graduated from the eighth grade at West Dummer and two pupils at the Willis School. We have eight pupils reported to be in attendance at Berlin High School and one at Kennett High.

During the year your Superintendent has made a total of 30 visits of supervision and inspection at the two schools. Tests have been given and the work of individual pupils examined and suggestions made where necessary.

The present school year opened in September with Mrs. Gwendolyn Jones again in charge at West Dummer but with a new teacher, Mrs. Effie Hunt, at Willis School. Mrs. Hunt is a graduate of Plymouth Teachers' College and has had previous experience as a teacher.

One of the best and most worth while projects to come to my attention has been the school lunches being put up by the parents at Willis School. This has been organized and conducted in an excellent manner and the parents should be congratulated on their endeavors to carry on this important phase of a school program.

Statistics for the year 1945-46 are as follows:

Grade	Boys	Girls	Total
First	3	2	5
Second	4	2	6
Third	0	1	1
Fourth	2	6	8
Fifth	3	5	8
